

# Our District

## Heritage

**History:** Celebrating our rich history since 1900.  
**Education:** Committed to excellence in teaching and learning.  
**Resilience:** Overcoming challenges through strength and determination.  
**Inspiration:** Inspiring generations of students to achieve their best.  
**Tradition:** Upholding our cherished school traditions and values.  
**Achievement:** Celebrating academic and extracurricular achievements.  
**Growth:** Fostering personal and intellectual growth in our students.  
**Empowerment:** Empowering students to become leaders and innovators.

Founded in the year 1900, our school district has been dedicated to providing quality education for over a century, shaping the minds and futures of countless students.

## Mission

We are a **CommUNITY** that works, learns, and succeeds together.

## Vision

To educate all students in reaching their highest levels of academic achievement, to enable them to fulfill their potential, and to prepare them to become productive, responsible, and creative members of society.
